MEMORANDUM FOR: William B. Staples
Executive Secretary, ACDA

FROM :
Executive Secretary, CIA

25X1

SUBJECT : Review of ACDA Responses to SSCI

25X1

REFERENCE : Your Memorandum, 19 August, Regarding Responses
to Questions from the Senate Select Committee on Intelligence

1. As requested in the reference, the review has been completed of the proposed responses. Our review focused on intelligence-related issues. The only point that needs correction is the second to last sentence of the response to Question 7. We believe that sentence should read "The Soviets have in place over 800 ICBMs of about M-X size or larger."
